Proposal for Membership to NVP

The undersigned members of the Norwegian Academy of Sciences for Polar Research (NVP) hereby nominate for election to the Academy:

[title and name]

[institution and address]

[email and phone number]

Please also fill out the following information, if possible:

- Date of birth:
- Citizenship:
- Academic degree and/or other education:

Rationale for Nomination:

In this section, nominating members of the academy are required to provide a justification based on the established criteria. This should encompass a comprehensive account of the nominee's qualifications and contributions, supported by documentation when possible. The nominating members bear responsibility for the veracity of any information that is challenging to substantiate.

(please use maximum 300 words)
